REGINALD DENNY—LYCEUM

Reginald Denny in "What Happened to Jones," one of the Lyceum features now showing, steps along at a great pace in this, his funniest of all comedy dramas. With a snappy plot, good romance and some excitement that gives it a real kick, this picture is one of Denny's best. The companion feature stars Clara Windsor and Eugene O'Brien in "Souls for Sables."

Starting Sunday night the Lyceum is to feature for four days only "The Plastic Age," most startling of all the so-called jazz age books and made into a picture that is a snappy thriller from start to finish. It is a 100 per cent college story, with all the social activities that one can imagine thrown in. "The Thorobred," also is on the Sunday bill.

CHARLIE CHAPLIN COMING

"The Gold Rush," Charlie Chaplin's ten reel comedy drama, will be offered at the Capitol for four days beginning Sunday night. There will be four performances of it daily beginning at 2:00 p. m. An excellent array of Keith vaudeville will also be offered making a show that has not yet been offered anywhere as this is absolutely the first time that vaudeville has ever been offered with this picture. On Sunday night there will be two complete performances with the last one beginning at 8:30.

"HIS SECRETARY" AT CAPITOL

Norma Shearer has always been known as an especially versatile young woman, but it was not until after seeing "His Secretary" at the Capitol theater last night that her talent as a comedienne was brought forcefully to the mind of the writer. The vaudeville show is an excellent one.

ONLY INFERIOR HAVE ACCIDENTS

This Is Intimation of State
Motor Vehicle Dept.

Hartford, Jan. 22 (AP)—The monthly bulletin published by the department of motor vehicles now has a circulation of more than 13,000 copies a month. It is announced in the January bulletin.

The bulletin, started two years ago as a part of the department's safety work program, is being sent, in response to requests, to every state in the union and to the Philippines and Japan.

At first the bulletin was issued in mimeograph form and distributed quarterly for the use of police and enforcement officers to give suggestions of policy and interpretations of law. Later it was issued in printed form as its scope was widening and its circulation began to grow. The bulletin has drifted away from the police purposes and goes broadly into the educational field.

The current issues announced that its future policy "will be directed for the use of the larger percentage of persons who intend to obey the law in an effort to help solve motor vehicle problems rather than for the small percentage of law-breakers."

Dancing Forbidden With Piles!

Imagine a spirited toe-dancer with piles! Stage folk get them, of course; but they don't suffer long! Those who must be agile, active, know the magic of Pyramid. Instant relief!

Even if you had the worst case of hemorrhoids—bleeding and protruding—one little Pyramid suppository would assuage them at once. However painful piles may be, Pyramid will send you on your way rejoicing. They are so easy to buy (sixty cents at any drugstore in the U. S.), and so easy to use, why let piles interfere with convenience or comfort?

Just say "Pyramid" to the drug clerk. Or, a free trial in plain wrapper; write Pyramid Drug Co., 1200 Pyramid Bldg., Marshall, Michigan.

DOUBTS STORY OF SNAKE IN BIBLE

So Holland Clergyman Is Up on
Heresy Charges

Assen, Holland, Jan. 22 (AP)—Because he is alleged to have cast doubt in a sermon he preached on the serpent in Genesis III that the Rev. J. G. Geelkerken of Amsterdam must stand trial for heresy.

He has been summoned to appear in Assen before the general synod of the Dutch Reformed church next Tuesday, and the religious world of Holland is greatly excited over the case.

The case has been compared to the recent famous evolution trial of Dayton, Tenn. Since it came into public notice there has been a stream of printed pamphlets and

statements from pastors and lay men, dealing with all aspects of the case. So bitterly has the controversy raged that already half a dozen lawsuits for alleged libel or defamation of character have been instituted.

Delegates for the synod have just been appointed. They include eleven of the foremost theologians of Holland, all professors and experts in exegesis, and fifty minor clergymen.

Miss Lane was divorced in 1924 from Philip Kaufman, to whom she was married when she was 17 years old.

GETS HER CHANCE
Nancy Lane, Daughter of Late Sec
retary, Has Important Stage Role

New York, Jan. 22 (AP)—Nancy Lane, daughter of the late Franklin K. Lane, secretary of the interior under President Wilson, appeared last night in an important role in the cast of "The Last of Mrs. Cheyne" for which she has been general understudy. She took the part of Lady Jean, because of the illness of Miss Nancy Ryan.

Paris, Jan. 22 (AP)—"There has been altogether too much politics in this business," declared Premier Briand today to inquirers anxious to know what his attitude would be in the approaching debate in the chamber of deputies on the government's financial proposals and those in opposition which may be introduced by the radicals and socialists.

"Now we are confronted with cold figures," the premier continued, "but everything will work out right. I am sure. I see no object in raising the question of confidence on the rejection of the finance committee's measures. The important thing is to find all the money the treasury may need."

M. Briand pointed out that the situation in the treasury at present was not unfavorable. He said money was coming in normally and that there would be no great demands on the treasury until May, when six billion francs worth of bonds would mature. He would therefore ask the chamber to get together on some measure acceptable to all parties.

Now when negotiations for a settlement of interrelated debts actually were under way, the premier added, it was of first importance that the country give the impression abroad that France was resolved to restore her finances to a sound basis.

TOO MUCH POLITICS,
BRIAND'S STATEMENT
Thinks That Honest Effort Has Not
Been Made to Solve
Financial Muddle.

NO UNION HOURS ON FARM— WORKS FROM 4 A. M. TO 9 P. M.

Kensington Resident Says: "I Couldn't Do the Hard
Work or Stand the Long Hours If It
Wasn't For Nox-Ri-Tis"

We have published hundreds of amazing testimonials from people living right here in New Britain and vicinity and each new one seems to show that Nox-Ri-Tis, for rheumatism, is producing more astounding results than ever before.

It would be a difficult task to find some one in New Britain who hasn't heard from grateful users or their friends, the great good this remarkable remedy is producing. Take the case of Mr. J. C. Wilcox, who has run a farm in Kensington for the past 24 years. Mr. Wilcox says, "Last fall I got a pain in my shoulders, back and hips that pretty near crippled me, and after toiling around all winter with everything and everyone that I heard of, only to find in the spring I was even worse off than ever. The pain became so severe that I couldn't get relief no matter what I did, and no matter in what position I'd be in bed the pain was still there, and to do the regular work around the

farm was next to impossible. I couldn't bend over or raise my arms above my head. To pick up anything from the ground I'd have to get down on one knee before I could pick it up. I became weak and had an all in feeling due to loss of sleep. Why the first time I came to New Britain, in my car, to buy Nox-Ri-Tis I was all in just from that agonizing ride. I have taken four treatments now and I can't say too much for the wonderful results it has produced.

"I start out at 4 in the morning and feed the stock, and then I eat supper and even at that I don't feel so tired as I used to be for just feeding the stock. I heartily recommend Nox-Ri-Tis to all suffering with rheumatism. But one must not give up if they don't see results right away. Just stick to it and you'll be more than repaid as I am."

"Call or write to the Miller-Hanson Drug Co., where a representative is explaining this great remedy for all forms of rheumatism."

For the Winter days SHREDDED WHEAT with hot milk -so satisfying!
